

PETS ARE NOT ALLOWED IN FOOD ESTABLISHMENTS

Oregon law prohibits all animals, except for service animals, in grocery stores, restaurants, and other food establishments.

Service animals are trained working animals, NOT pets.

The Americans with Disabilities Act (ADA) authorizes the use of service animals in a food establishment ONLY for the benefit of individuals with disabilities.

If you have any questions regarding the use of a service animal in this establishment, ask a member of management for a copy of the flyer, "Shopping with Service Animals."

SERVICE ANIMALS WELCOME

People with disabilities may bring service animals into all areas where customers are normally allowed to go.

A service animal is a dog* that is individually trained to do work or perform tasks for people with disabilities.

Dogs whose function is to provide comfort or emotional support DO NOT qualify as service animals according to the ADA.
